## September Greetings!

So many exciting things are happening at St. Peter's UCC as we enter the fall. Sunday School and Confirmation will be resuming, and our choirs are returning to bless our worship. We will also be celebrating many special weekends between now and the beginning of Advent in December. They are as follows:

September 8 ... Baptism of Nathan Jacquin  
September 22 ... Reception of New Members  
October 5 and 6 ... World Communion Weekend  
October 12 and 13 ... Dedication of the Harold Wilke Plaque  
October 19 and 20 ... October Congregational Meeting  
November 2 and 3 ... 180<sup>th</sup> Anniversary of St. Peter's UCC  
November 3 ... Baptism of Gus Becker  
November 9 and 10 ... Stewardship Weekend  
November 23 and 24 ... Totenfest and Thanksgiving  
November 30 and December 1... Advent begins!

I'd also like to briefly touch on transitions taking place at St. Peter's UCC as we said goodbye to Rev. Eric and his family in August. Your church council and I are working on making sure that we continue our strong ministries and mission initiatives amid changes taking place. I would like to address questions concerning pastoral staffing as some have been asking questions. Council currently is making no immediate plans for the replacement of an associate pastor. We need to evaluate our current needs, the reality of our finances, and where we see ourselves as we look ahead.

I'd like to conclude my report with a quote from Pastor Eric's last sermon. In this time of transition, I believe Pastor Eric gave us some words of guidance.

*"I think this is a moment in the life of this congregation that it may be time to slow down, take a breath, and search for your center, your heartbeat, together. I think one of the effects of our shared experience of the pandemic in this congregation is that we got worried and anxious for a variety of reasons and just started spinning our wheels without really coping with the trauma, finding our center again, and uncovering a shared vision beyond trying to regain what we felt we'd lost. Now's the time to turn away from the worry and anxiety. Now is the time to really look at the unbelievable treasure trove of resources the Spirit continues to gather in this place, uncover what makes your collective heart pump, adapt, and start moving again with intentionality to play your part in making the Commonwealth of God a lived experience in our time and place."*

I would invite us all to take such a breath. That pause, of course, doesn't mean we neglect the ongoing mission and ministry of our church. But it does allow us to dream what our future might be. Thank you all for your continued love and support for St. Peter's UCC.

Autumn Blessings,  
Pastor Kurt

## **St. Peter's UCC Open and Affirming Journey**

Five years ago, St. Peter's UCC began a journey, prayerfully considering the possibility of our congregation becoming an Open and Affirming congregation of the United Church of Christ. This designation casts a wide net of welcome and acceptance to all people, including members of the LGBTQ+ community. Over this time, the Justice and Witness Committee has held individual interviews with church members, group discussions, book studies, and "Lunch and Learn" educational sessions including conversations with area pastors whose congregations completed this process.

As a fruit of this process, the Justice and Witness committee of our congregation is sharing with you a proposed ONA covenant for our congregation to consider. The proposed draft was created by researching other Missouri Mid-South Conference congregations who have successfully undertaken this journey, as well as considering St. Peter's UCC's desire to "Enter to Worship. Depart to Serve."

Your opinion is valued. Toward that end, we are putting a "**Comment Box**" in the Atrium for your input and ideas. Please share your questions, affirmations or concerns about this Covenant. Also note that we are **not** asking for a vote in the immediate future. The ONA journey is a gradual one that seeks to include all our membership in the process of making a faithful decision.

Thank you all for joining in this loving journey,  
Justice and Witness Team

**ST. PETER'S UNITED CHURCH OF CHRIST**

## **Approval of Minutes:**

A motion to approve the July minutes was made and seconded. The motion passed.

## **Treasurer's Report:**

- The General Fund is currently down over \$30,000 vs budget. This is all due to lower contributions. Spending was under budget for July. We are hopeful this is a summer lull. We need about \$11,000 per week to meet budget.

## **Senior Pastor's Report:**

## **Boards and Committees:**

### Building and Grounds:

- There is a potential problem with the motion sensor for the light in the hall by the church office.
- Two roof HVAC units have condenser fins smashed from hail. This may need a professional to look at.
- Changing stations are installed.
- HVAC Unit F is scheduled to be replaced the week of Aug. 19.
- We are having trouble getting bids for the security system. Attempts will be made to activate key cards with the current system.
- We cannot put a sign in the alley, but we can put a sign on the building on the church's property (Caution signage). They will look into this further.
- Audio has been greatly improved for the YouTube livestream.

### Cemetery:

- The concrete base for the Pogue statue has been poured.
- 20 graves have been sold this year so far.
- Anniversary plans are in progress.

### Board of Christian Education:

- Sunday School will resume in September. On Sept. 8, 3rd graders will be presented with Bibles (this is the opening event for Sunday School). Classes will start the next week.
- They are determining whether Sunday School will be before church or during. Families are being contacted regarding their preferences.

### Mission:

- The mission team has a lunch and learn this Sunday, presented by Turning Point.

### Worship:

- Paraments are still in progress. They looked at a proof sheet and it wasn't what we were looking for, so still looking further.

### Justice Witness:

- Haircuts in association with Harvest Table went very well. There were about 30 haircuts given, 11 patients seen by the Salam Clinic, and around 180 meals served.
- An Open and Affirming Covenant draft was presented. This will be in the September newsletter and will have a comment box in the atrium. There is no set timeline.

### WERF:

- Met in July.
- They are always in need of funds. The need in the community is increasing.
- United Way visited.

### Advisory:

- Documents have been reviewed: The document retention policy and combined events policy.
- A motion was made and seconded to approve these as edited by the Council. The motion passed.
- The email membership survey will go out in the next week or so.

### Evangelism:

- Game night planning is in progress.
- They are planning to match volunteers with people who need things done at their homes.
- 5 tables are currently sold for trivia night. We need to consider how hard/competitive we want our trivia night to be (some are more competitive; some more casual/social).

### Finance:

- They are starting to work on the budget.
- There is a proposal to replace the rest of the heavy wood tables upstairs with lightweight plastic ones and leave the wood ones downstairs. Memorial Fund would be used. Total cost would be approximately \$1,800 for 14 tables. A motion was made and seconded to purchase the tables. The motion passed.

### **Old Business:**

### **Festival of Sharing – Hygiene Kits**

During September, our congregation again offers the opportunity to participate in the Festival of Sharing by providing hygiene kits to those in need. These kits include a hand towel, washcloth, comb, fingernail clippers, soap, toothbrush and band aids collected into a gallon zip lock bag.

These items can be purchased for a total of \$8 at Walmart, Dollar General and Dollar Tree. Each bag must also contain \$2 in cash to pay for processing.

Zip lock bags will be provided in the atrium with a list of the specific items requested. **Please put NO additional items in the bag.** The exact comb they are requesting may be hard to find, so these will be available for \$.75. If you prefer to simply donate the \$10 needed, please take a zip lock bag, put the \$10 cash or check into the bag and place it in the basket marked "Return a Bag".

The hygiene kits need to be returned to church by Sept., 29. Our goal is to collect 50 kits by that date. All you have to do is shop or donate \$10 to be a part of the Festival of Sharing. Thank you in advance for your support of this mission.
